#### **ANTI-CORRUPTION POLICY**

#### **UN Global Compact**

Ekornes has endorsed the UN Global Compact since 2009.

Through participation in the UN Global Compact, Ekornes is committed to operating its business responsibly in line with the UN Global Compact's ten principles, which also cover anti-corruption. Ekornes also encourages its business associates to comply with these principles.

The UN Global Compact is based on openness, both with respect the company's dealings with all stakeholders and the challenges Ekornes meets at the local and global level. Since 2012 Ekornes has been a member of the UN Global Compact's Nordic network. Participation in the network enables Ekornes to exchange experiences with other businesses which have social responsibility high on the agenda.

Through the UN Global Compact, Ekornes is obligated to set goals for and work continuously to improve its practices in this area. Each year Ekornes reports its performance to the UN in the form of a Communication on Progress (COP). This may be found through UN Global Compact and on Ekornes' webpages.

Ekornes will conduct its business activities responsibly, and will operate in compliance with all relevant laws, regulations and strict ethical norms. We support and strive to live up to the UN's Global Compact. This means that in all parts of our operations we will maintain high standards with regard to:

- 1. Respect for and compliance with the Universal Declaration of Human Rights.
- 2. Respect for workers' rights and needs.
- 3. Environmental responsibility.
- 4. Combatting corruption in Norway and abroad.

This document, "Ethical Values and Anti-corruption Policy", as well as "Objectives and Values", have been distributed to all employees. These regulations have also been distributed to external relations and have been published on the company's website ir.ekornes.com.

Everyone within the company has a duty to follow up and comply with these regulations. Managers in all parts of the company have a special responsibility for their follow-up.
